Year 1/2 Guided reading text, questions and answers

TOYS! TOYS! TOYS!
 TOYS! ... No matter what age we are, we all LOVE toys.

A toy is a thing that we use to play and learn. A toy does not have to be made in a factory, toys can be made by hand, toys come in all shapes and sizes and can be made from different things such as plastic, wood or paper. When we think of toys, we think of famous names such as Lego, Action Man, Yo-Yos or the Rubik's Cube. Even simple things like a stick can be used as a toy.

Have you ever pretended to be a *brave knight* and used a stick as a sword?
 Maybe you've been a *tiny princess* & used a stick as your magic wand?

Simple things like sticks, balls and hoops are even used as toys by animals!
 Have you seen a dog playing fetch with a ball or stick?

Most toys you play with are not made in the UK, 70% of the world's toys are made in China. Once a toy has been made, it is put in packaging and sent to different toy shops all over the world.
